## **What personal data we collect and why we collect it**

### Contact form

When you contact us we collect your name, e-mail address, company name and message. In case you provide your phone number and website address we will collect these data as well. This information is sent directly per e-mail and not stored on the website. All data are used to be able to contact you, to inform you and to answer your questions. We do not distribute these data to third-parties.

### Cookies

The website isn't using any cookies.

### Embedded content from other websites

Articles on this site may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website. These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracking your interaction with the embedded content if you have an account and are logged in to that website.

### Analytics

We do not use any analytics package.

## **Who we share your data with**

We do not share your name, e-mail address, phone number, company name, website address and message with any third-party.

## **Contact information**

For privacy specific concerns you can contact us at +31 40 258 1660 or [info@domicro.nl](mailto:info@domicro.nl)
